

# NIGHTSTICK<sup>®</sup>

Life Depends on Light<sup>™</sup>

The Most Significant Professional Flashlight Innovation in Over 30 Years

## Dual-Mode Multi-Function<sup>™</sup>

**NIGHTSTICK<sup>™</sup>** represents the next generation in professional, industrial and consumer flashlights, incorporating the BAYCO exclusive Flashlight • Floodlight • Dual-light capability.

Developed by Bayco, the leader in LED task lighting solutions, NIGHTSTICK incorporates cutting edge LED and battery technology providing public safety and industrial professionals with high quality, exceptionally bright and reliable hand-held illumination. That same technology is adapted for consumers to provide the best flashlight for home, recreation and personal lighting for life's emergencies.

At Bayco the safety of our professional and consumer customers is paramount, that's why we believe that

**Life Depends On Light<sup>™</sup>**

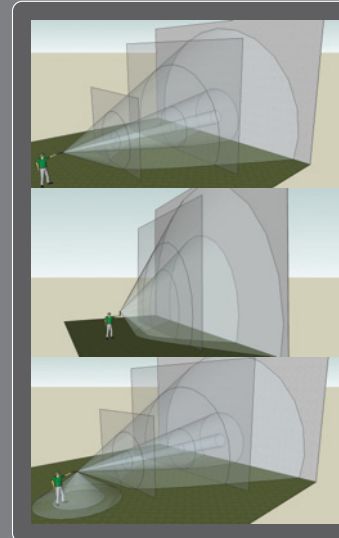

### Flashlight

### Floodlight

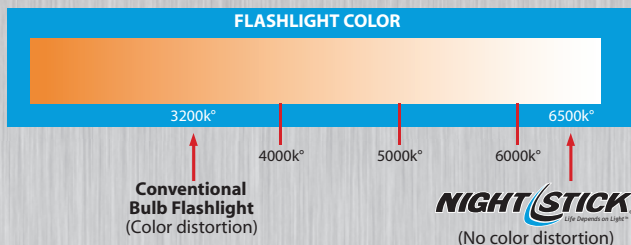

### Dual light

### RELIABILITY • UTILITY • MAXIMUM SAFETY

**NIGHTSTICK** is all LED for maximum reliability; floodlight for utility and dual-light for increased personal safety zone.

**NIGHTSTICK** combines brilliant white-light LEDs, that are unaffected by impact, have a life up to 50,000 hours and illuminate the object with no color distortion.

**NIGHTSTICK** rechargeables are powered by a fast charging, high quality Nickel Metal Hydride (NiMH) battery pack with nearly twice the energy capacity of NiCad. The pack is Earth Friendly eliminating disposal problems and has no re-charge memory effect. Replaceable battery powered lights use proven and readily available alkaline batteries.

The distinctive shapes, styles, packaging, configurations and overall appearances of Bayco products are trademarks of Bayco. The unique LED configuration, body and case shapes inherently identify them as members of the Bayco brand product portfolio. Multiple patents pending.

### Bayco Innovation at Work

Our dedicated engineering teams continually seek out innovative technical solutions that focus on maximizing user safety and operating utility. NIGHTSTICK delivers powerful bright white light output, very long run-times and dual-mode multi-function capability.

Bayco's 110,000 square foot North Texas facility is home to research and development, marketing, sales and distribution operations. Bayco has dedicated sales offices and manufacturing in the USA and abroad.

Our growing patent portfolio is a cornerstone business asset demonstrating our commitment to lighting innovation that provides our professional and consumer customers the highest quality products to make their lives safer.
